

Sample Invitation

This is a sample Maker Party invitation to use at your event. Feel free to alter it as needed.

HI EVERYONE,

This is just a quick note to say how excited we are about this weekend's Youth Hackjam, a Mozilla Maker Party event!

Six important things to note:

1. We have a few spots left – please share the registration link!

Please tweet, post, and share this link with people you think might want to join this Maker Party event: <http://makerpartyyouthhackjam.eventbrite.ca>

2. This event is BYOL (Bring Your Own Laptop).

Please be sure to bring a laptop to this event (and charger if you think it won't last 3 hours). If you don't have one, let us know.

3. Event Start and End Time

The event begins at 1 pm and will end at 4 pm. We'll provide a snack between 2:30 and 3 pm. At 3:30, we'll have a demo (a sort of show-and-tell) for those that want to share their creations.

4. Event Location: Mozilla, 366 Adelaide St W, 5th floor

When you enter the building, just take the elevator to the 5th floor.

Sample Invitation

5. Stay in the Loop

Want to learn more about Maker Party? Sign up for updates [here](#).

Oh, and in case you're on Twitter, the hashtag for the event is [#makerparty](#).

Visit us on Facebook, as well!

6. It's a Maker Party!

This hackjam is part of Mozilla's Maker Party, a worldwide celebration of making cool stuff and teaching others about web literacy.

Please note that the instructor and mentors for this event are all volunteers. Let them know that you appreciate them if you have the chance!

Looking forward to seeing you all on Saturday!
